

1. Ujicoba Angka 1

2. Ujicoba angka 0 8 9

3. Ujicoba angka 6901

The screenshot shows the PeCeDE web application in a browser. The left sidebar contains a menu with options: UMUM, PERGESERAN, PENERANGAN, ANALISIS GAMBAR, PEMROSESAN GAMBAR, FILTER GAMBAR, SEGMENTATION, QUIZ, and Pengenalan Angka/Digit. The main content area displays three stages of image processing for the input number '6901':

- Image Original:** Shows the original image of the digits '6901' on a black background. Below it, the text 'Hasil Deteksi Angka : 6 9 0 1' is displayed.
- Image Kontur:** Shows the contour-detected image of the digits '6901' in cyan. Below it, the text 'Hasil Deteksi Angka : 6 9 0 1' is displayed.
- Image Thinning:** Shows the thinned image of the digits '6901' in white. Below it, the text 'Hasil Deteksi Angka : 6 9 0 1' is displayed.

The browser's address bar shows the URL '127.0.0.1:5000/pengenalan_angka'. The Windows taskbar at the bottom shows the date and time as 0:16 on 26/10/2023.

4. Ujicoba angka 2023

The screenshot shows the PeCeDE web application in a browser. The left sidebar contains a menu with options: UMUM, PERGESERAN, PENERANGAN, ANALISIS GAMBAR, PEMROSESAN GAMBAR, FILTER GAMBAR, SEGMENTATION, QUIZ, and Pengenalan Angka/Digit. The main content area displays three stages of image processing for the input number '2023':

- Image Original:** Shows the original image of the digits '2023' on a black background. Below it, the text 'Hasil Deteksi Angka : 2 0 2 3' is displayed.
- Image Kontur:** Shows the contour-detected image of the digits '2023' in cyan. Below it, the text 'Hasil Deteksi Angka : 2 0 2 3' is displayed.
- Image Thinning:** Shows the thinned image of the digits '2023' in white. Below it, the text 'Hasil Deteksi Angka : 2 0 2 3' is displayed.

The browser's address bar shows the URL '127.0.0.1:5000/pengenalan_angka'. The Windows taskbar at the bottom shows the date and time as 0:18 on 26/10/2023.

5. Ujicoba angka 34

The screenshot displays the PeCeDE web application in a browser. The left sidebar contains a menu with buttons: UMUM, PERGESERAN, PENERANGAN, ANALISIS GAMBAR, PEMROSESAN GAMBAR, Input Angka, Kenali Angka, and Pengenalan Angka/Digit. The main content area shows three stages of image processing for the input '34':

- Image Original:** Shows the digits '3' and '4' on a black background. Below it, the text 'Hasil Deteksi Angka : 3 4' is displayed.
- Image Kontur:** Shows the same digits with their outlines highlighted in green. Below it, the text 'Hasil Deteksi Angka : 3 4' is displayed.
- Image Thinning:** Shows the digits with their outlines thinned to single pixels. Below it, the text 'Hasil Deteksi Angka : 3 4' is displayed.

The browser's address bar shows the URL '127.0.0.1:5000/pengenalan_angka'. The Windows taskbar at the bottom indicates a temperature of 23°C in Berawan and the date 26/10/2023.

6. Ujicoba angka 38

The screenshot displays the PeCeDE web application in a browser, similar to the previous one but with the input number '38'. The left sidebar menu is identical. The main content area shows three stages of image processing for the input '38':

- Image Original:** Shows the digits '3' and '8' on a black background. Below it, the text 'Hasil Deteksi Angka : 3 8' is displayed.
- Image Kontur:** Shows the same digits with their outlines highlighted in green. Below it, the text 'Hasil Deteksi Angka : 3 8' is displayed.
- Image Thinning:** Shows the digits with their outlines thinned to single pixels. Below it, the text 'Hasil Deteksi Angka : 3 8' is displayed.

The browser's address bar shows the URL '127.0.0.1:5000/pengenalan_angka'. The Windows taskbar at the bottom indicates a temperature of 23°C in Berawan and the date 26/10/2023.
